

Reentry Resource Guide for Rutherford County

2025

now with partner info!

PLEASE READ THIS FIRST!

Nothing is more frustrating these days than trying to get an actual human being to answer the phone when you call organizations for assistance. This can especially be true for government agencies. If this happens to you when contacting any of the service providers listed in this Reentry Resource Guide, remember the following:

- Try to find all the information you need on the service provider's website, which OurJourney gives for every service provider that has one. That way you won't even need to call. If the website gives an email address, you might try emailing the service provider with your non-emergency questions.
- Sometimes by pressing the zero button on your phone you can skip past the recorded message and be sent straight to a human operator.
- Know ahead of time exactly what you want to ask; have any materials you need on hand before you call (such as ID, application, etc.).
- Be patient. If you simply can't wait on hold any longer, choose the option that lets you leave a voicemail (if available).
- If you leave a voicemail, remember to state your name and phone number clearly, along with the reason for your call.
- Make sure you're available for call-back during normal business hours. If you can't be, when you leave your voicemail provide a time range for call-back.

Also remember, many people in your community need help too. So you may be placed on a waiting list for some services. OurJourney always recommends that you begin your search for assistance by contacting the One-Stop Resource Centers listed at the front of this guide. Why? Because these service providers usually have the resources and connections in the community to provide more immediate and specific help.

Agencies, organizations, ministries or businesses with a  beside their listing are close partners of OurJourney. We have verified not just their basic information but that they are dedicated to helping you rebuild your life. Make sure you mention that OurJourney sent you!

Finally, remember that your success ultimately depends on **YOU!** OurJourney encourages you not to give up if you can't find help when and how you need it. We know firsthand how frustrating it can be when things don't go the way you hope, but we also know that **the worst day in freedom is better than the best day in prison**, and that patience and perseverance are just as important to your success as the assistance you need.
